The Secrets of Interpersonal Communication

The importance of oral communication in the modern work scene is largely evident and cannot be further emphasised. Interpersonal communication is a crucial element in which relationships are built. This workshop aims to help you hone your ability to connect with your friends, build lasting relationships and leave indelible impressions on the people who matters.

At this workshop, you will:

- Learn 7 things you must know secretly to have effective interpersonal communication with people
Discover the 10 things people must know to deeply relate with you
Get more real-life practical tips and secrets to enhance your interpersonal communication with others
